Welcome to Camping Les Arches****

Situated in the heart of the Ardèche, Camping Les Arches**** welcomes cyclists (Road and Mountain-bikers) in a natural environment, quiet and authentic.

Near the Via Ardèche, lies the safe “Voie verte” and this track is accessible for cyclists, very soon one can make use of it. Directly to this cycle path lies “Camping Les Arches” easily accessible by bike from the bridge, currently we are even busy to see if a direct access for pedestrians could be a possibility.

Cycling holiday at Camping Les Arches****

We are currently working on obtaining the label Accueil Vélo, this is a guarantee for quality and a special service for cyclists. This is the reason why we are busy making several adjustments which will enable us to guarantee our visitors a nice and unforgettable experience during their cycling holiday!

Who are we ?

Camping Les Arches****, situated in the south of the Ardèche, is a spacious and natural camping where we have structured the pitches with a high level of respect of the environment and of the area.

The camping reaches out over a domain of 10 hectares and is fitted with large pitches and a diverse flora where you can feel the relaxed and quiet atmosphere.

The camping offers several types of accommodations:

Accommodations and pitches

Large and shadowy pitches, perfect for installing a tent or a caravan, a van or a camper, are situated in a natural and peaceful surrounding, and several types of accommodations (chalets, mobil-homes and gîtes) which offer comfort and conviviality surrounded by nature and give a true feeling of intimacy thanks to the space between the accommodations.
